Re: International Achievement Week Theme and High School Essay Contest Topic

Greetings to all Chapter Achievement Week Chairmen. This serves as the official notice of the International Achievement Week Theme for the 2023-2024 fiscal year.

**Omega Men Promoting a Harmonious Future Through
Friendship and Service**

Please use this for all of your Achievement Week planning. Note that the official dates of Achievement Week are **November 12 – 18, 2023**.

The High School Essay Contest Topic for the 2023-2024 fiscal year is:

“With Politics gaining the bulk of discussion, what can the younger generation do to ensure that elected leaders understand the impact of gaining their vote?”

The official High School Essay contest flyer is being released separately.

The International Achievement Week Committee looks forward to working with all of you during the upcoming year. Please feel free to contact me directly at cknorman@mac.com, or reach out to your respective District Chairman with any questions or comments.
